RMT advised Eurofins in the acquisition of Eichrom Laboratoires

Eurofins, global leader in bio-analytical testing, recently announced the acquisition of Eichrom Laboratoires, a key player in radioactivity and asbestos testing.

Founded in 2003 in Rennes (France), Eichrom counts 60 employees and performs tens of thousands of testing.

RMT advised Eurofins with a team led by partner Dominique Dermerguerian, along with Pauline Borczuch on corporate matters. Partner Catherine Broussot-Morin and Anne-Claire Chambas (labor law) and partner Olivier Goldstein, with Alix Brechet (tax) also advised on this transaction.
