

COMMUNIQUÉ DE PRESSE

Paris, le 19 avril 2021

Reinhardt Marville Torre est de nouveau récompensé par le classement The Legal 500 EMEA 2021

Le guide The Legal 500 (Legalease) EMEA 2021 a classé de nouveau le cabinet, ses associés et ses équipes dans les catégories suivantes :

DISPUTE RESOLUTION: COMMERCIAL LITIGATION • TIER 2

The firm impress with its deep bench. The team handles commercial litigation, M&A disputes and shareholder conflicts. The practice is retained by a prominent client base, including leading names from the retail and real estate sectors, as well as investment funds. The group manages a substantial caseload, including several major shareholders conflicts. It is also involved in several hard-fought unfair competition cases and a significant antitrust private enforcement case.

« *A responsive and pragmatic team that is attentive to the expectations of their clients.* »

DISPUTE RESOLUTION: WHITE COLLAR CRIME • TIER 3

The firm defends several leading French companies and banks in several highly sensitive national and international corruption, fraud and embezzlement investigations led by the French prosecutor's office. The firm handles a broad range of cases, including several matters from the retirement home sector.

EMPLOYMENT • TIER 3

The firm is very experienced team advises a prominent client base which includes several blue-chip French companies specialising in various industries. The comprehensive practice handles collective and individual work and assists with restructuring and M&A projects. Lately, the practice also assisted clients with the negotiation of new working time agreements. The team offers strong litigation expertise, including in the management of sensitive cases dealing with individual and economic dismissals and working time issues, some involving criminal law aspects following labour authorities-led inspections. Finally, the group is adept at advising corporations or high-level executives with departures and exits of high-ranking officers.

REAL ESTATE • TIER 4

« Extreme availability and high-level technique on real estate matters. »

« Available and flexible team. Very relevant and intelligent reviews. Positions and recommendations with a strong ability to find compromises when necessary while protecting the interests of clients. Friendly team and very pleasant to work with. »

« Very good knowledge of the market. »

ADMINISTRATIVE AND PUBLIC LAW • TIER 4

RMT's team regularly takes on significant public procurement work, including related award and performance litigation. Strategic matters in the transport sector, such as assisting several clients specialising in new transport vehicles mobility, for example bike and scooter rentals, with major city public procurement contracts is a very busy line of work. The group is also experienced in public tenders for bus and tramway concessions for metropolises.

« I highly recommend the public and administrative law team. The team is very competent and sharp on all subjects pertaining to public procurements, transport and mobility; which is a fairly rare skill. They closely follow legislative developments with us and are a source of proposals. »

MERGERS AND ACQUISITIONS • TIER 5

« They are longstanding trusted advisors of the company and that sets them apart. »

« We greatly appreciate Pierre-Menno de Girard's intelligence, his rigour, his competence, his attention to detail, his benevolence and his commitment in the proposed solutions while leaving the client in control of decision. »
